

dermaviduals[®]

Therapist Reward Programme

Nurturing our relationship with you lies at the core of what we do, so this is our way of showing our appreciation to those therapists who support *dermaviduals* every time they recommend and on-sell our products. The scheme has been created with you in mind – we want to reward you for spreading the *dermaviduals* message. The more products you sell, the more we'll give back to you. It's easy...

- For every:**
- 20 dermaviduals retail products sold you will receive 1 free dermaviduals retail product**
 - 30 dermaviduals retail products sold you will receive 2 free dermaviduals retail products**
 - 40 dermaviduals retail products sold you will receive 3 free dermaviduals retail products**
- And on it goes... The more you sell, the more we give back.**

To make this scheme easy to use, here's an outline of how it works:

- ⑥ Products are rewarded to individual therapists only. They cannot be collectively collated or accumulated for clinic use.
- ⑥ To be eligible for the redemption of these rewards, your clinic must supply a monthly sales report per salesperson/therapist for dermaviduals products sold from your point of sale system (we will not accept any other proof of sale such as copies of receipts, handwritten forms and/or spreadsheets).
- ⑥ Reporting must be submitted no later than the 15th day of the following month in one email per clinic directly to the orders team as per the email address below (i.e. July sales/incentives must be received before 5pm on the 15th August). Therapist reward programme redemptions will not be accepted by any other function of the business.
- ⑥ Our orders team will process & prepare all therapist rewards following the 15th day of each month, however we cannot guarantee when they will be ready for dispatch due to administrative tasks associated with this programme. Free product/s will be held and sent with your next clinic order at our convenience.
- ⑥ Only dermaviduals retail products can be counted as therapist sales for this programme plus the sale of Total Cleansing Cream 300ml may also be included. The sales and redemption of the following are not permitted: MTS-Rollers, epi nouvelle+ naturelle, essential cleansing cloths, refillable makeup brushes (deco) and promotional gifts with purchase.
- ⑥ All kits, packs and promotional packages are counted as the sale of 1 (one) item per therapist.
- ⑥ Of course, you will need to be classified as an active partner (whereby your monthly spend is over \$625 + GST).
- ⑥ It is important to note that your account must not be in arrears to be eligible to obtain rewards.

Submitting your therapist sales/incentives

Please email to: orders@skincorrection.com.au

Thank you for your support and good luck! We look forward to rewarding you.
